

We have a full-time membership sales and service position. It is for an out-going person with excellent people skills and a desire to work on a team and present the facility to prospective members. The person applying should enjoy working on the phone and follow up efforts including phone calls and email. Position includes; membership, vacation, health insurance and 401k participation. We have a positive and friendly environment and are looking to add an energetic team member. The position has a base salary, earned commissions for membership and personal training sales and monthly bonus for good production.
