## WHAT PHASE IS MY BUSINESS IN?

JOHNSON COUNTY KANSAS

## Reopening Johnson County

A phased approach to promote economic recovery, health and safety

Planned to begin May 11

Governor Laura Kelly's Reopening Kansas plan defines which businesses, venues and activities reopen in which phase. The state has also determined that counties have the decision-making authority for businesses that may not be sure in which phase they are classified or could appear to fall in more than one phase due to the nature of their business.
